DAILY CONFESSIONS:

Philippians 4:19

But my God shall supply all your need according to his riches in glory by Christ Jesus.

Romans 8:32

He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?

1 Corinthians 3:21-22

Therefore let no man glory in men. For all things are yours; Whether Paul, or Apollos, or Cephas, or the world, or life, or death, or things present, or things to come; all things are yours.

1 Timothy 6:17

Charge them that are rich in this world, that they be not high minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy.

2 Peter 1:3

According as His divine power hath given us all things that pertain unto life and godliness; through the knowledge of Him that hath called us to glory and virtue.

I HAVE A SUPPLY

A number of years ago I was asked to speak at a small church in the southern part of Kansas. The subject title I taught on was "I Have A Supply". Unbeknownst to me the church had been struggling financially for the past year and a half. The pastor had not been receiving his paycheck, other staff members weren't being paid, things were starting to be left undone at the church because the funds weren't there to provide as was needed.

The pastor heard what God was saying to them along with the congregation and began to declare "I have a supply". By acknowledging the provision God HAS ALREADY made for us through Christ Jesus, the church funds began to come in. Within 6 months they were caught up on all the past monies that were due and within 8 months they paid the entire church and property off in full!

We have (for the most part) been *need* conscious. In these last days we must become *supply* conscious. When we are conscious of God's liberal supply of health, wealth, knowledge, wisdom, peace and understanding and we begin to speak of it on a regular basis, His Supply will begin to manifest as ours.

Jesus has already provided for us liberally through His sacrifice. Through fellowship with Him and His Word and speaking in accordance with His supply we access what belongs to us. There is an acceleration of His provision that can take place as we set it in our hearts to speak these things. Thank you for your continued faithful partnership as we are working together with Him.

With appreciation for you,

Brother Lon
